

All Saints Church Report

Our congregation numbers remain fairly consistent averaging between 25 and 35 on a Sunday, with the mid week holy communion numbers averaging between 10 and 15, these numbers are very encouraging when compared with other parishes.

Our pop up pantry and coffee are attracting some new parishioners who can benefit from cost savings or a warm welcoming space for a chat so if anyone wants information please contact us.

We have a vibrant group of bell ringers with many new members and these can be heard practicing on a Wednesday and ringing on Sunday morning before the service.

Financially it is always a concern for us but with the help from other organisations and generous donations and continued fundraising we can just about make ends meet.

The building itself is not in a bad condition but as you can imagine something built in the 12th century will always need repairs or renovations and these can be very costly so they have to be monitored very carefully.

All of the above topics can't happen or take place without the committed PCC and numerous volunteers who help to keep not our church but your church when people may need it for baptisms, weddings, funerals etc.

Finally we would like to thank the Parish Council for their continued support for which we are very grateful and of course Reverend Laura and her clergy team for their leadership, anyone wanting information about anything please do not hesitate to contact Reverend Laura or one of our Churchwardens.

John Larwood (Churchwarden)
