

Bowls Club Report

The bowls club had another good year, much the same as the previous one. We managed to avoid relegation from both the Elmham and Dereham Federation leagues which was a great achievement as we were giving inexperienced members games, which will only help to strengthen the standard at the club over time.

In the EBA league we finished second haven led the league all season only to lose our last game to a very strong Wymondham side who themselves gained promotion back to the premier league following their relegation the previous year.

In EBA competitions both the club and individually we managed to get to some of the latter stages but unfortunately we are unable to make the step up to beat the county's top bowls.

We managed to gain some good sponsorship last year which along with contributions from the players has enabled us to get a totally new kit of Shirts, shorts or trousers and jackets. All this helps to bring the sport up to date and make it more inviting to new players.

We have a very active social media scene to help raise the profile of the club.

The club opened up the green last Saturday and welcomed 4 new players, 2 of which have already joined which is encouraging as we have joined 2 new leagues this year.

We are always looking for new members, the club is there for all and we encourage and welcome anyone who would like to come and have a go with the first couple of rollups free to try. It is a great social sport for anyone wanting to get out and meet others while it can also be competitive if you are looking for a challenge.

Thank you and hopefully we may see some of you in the future

Many thanks

Trevor
