Chair: Sam Shelley Clerk/RFO: June Smith

## MINUTES OF THE STEERING GROUP FOR THE FURTHER DEVELOPMENT OF BULLOCK PARK HELD 28<sup>th</sup> April 2026 at Crowhill, Shipdham 6pm.

Present: Cllrs: Shelley, Smith, Lynda Turner, Paul Chubbock & Clerk: June Smith

28/04/2026

To discuss further costings regarding expansion of Bullock Park.

Due to nutrient neutrality costs, not in legislation at the start of the project, which exceed £240,000, the project is no longer economically and commercially viable at this present time. The steering group recommend that the current project be put on hold. Monies already spent so far have not been wasted, the land valuations prove that the project remains viable at a future date.
