To all Societies/Clubs/Parishioners

Parish Council Land / Assets

Dear All

In light of the current situation with regard to COVID-19 and the ever changing Government Guidelines, Shipdham Parish Council would like to ask all Societies/Clubs/Parishioners to gain permission from the Parish Council prior to organising any event which would take place on Shipdham Parish Land, Land controlled by the Parish Council such as the Churchyard and any Parish asset, including the WI Hall and Heritage Centre.

Full risk assessments and details of how track and trace records will be dealt with, will be needed before any event can be considered by the Council

Your co-operation in this matter will be greatly appreciated.
