

Charities

we continue to give grants for many different things from heating costs to slippers. We also finance the school uniform for year 6 children moving up to High School. We also help students with money for books for their college or university course.

People who need help with spectacles or hearing loss aids.

Our investments have continued at a steady level and we have not had to reduce the size of grants we give.

We wish to encourage those in need of financial help to fill out an application form, which is available at the back of the Church, the post office or from any trustee.

Kind regards

Helen
